Under such circumstances, the umpire will call obstruction. This would allow the runner/batter to be called safe and to be allowed base advancement upon the umpire discretion. DIFFERENCES BETWEEN HIGH SCHOOL FEDERATION RULES AND MAJOR LEAGUE RULES

Our rules begin with High School Federation Rules. If you wish to order your own copy of the HS rule book, their website is www.nfhs.org

Rule 1-3-4 (1.04) **Non-wood bat.** In diameter at its thickest part 2 5/8 or less. In weight, a bat shall not weigh more than 3 oz less than the length of the bat in inches(e.g. a 33-inch-long bat cannot be less than 30 oz).
Kiwanis rule in the Prep League(13 yr. olds), there will no restriction on bats. In all other Kiwanis leagues, we will use the HS rule known as the (-3 rule). In addition, starting the bat must have **BBCOR** certification mark. BBCOR means BATTED BALL COEFFICIENT OF RESTITUTION.

Rule 1-5-1. Any offensive player on the field of play must wear a batting **helmet**. The helmet cannot be intentionally removed while a player is in live-ball territory and the ball is live.

Rule 1-5-12 **Jewelry** shall not be worn except for religious or medical medals. A religious medal must be taped and worn under the uniform. A medical alert medal must be taped and may be visible.

Rule 2-4-3 **Intentional Walk** - An intentional base on balls may be given by the defensive team by having its catcher or coach request the umpire to award the batter first base. This may be done before pitching to the batter or on any ball and strike count. The ball shall be declared dead before making the award.

Rule 2-22-1 (2.00, 7.06) **Obstruction** is an act(intentional or unintentional, as well as physical or verbal) by a fielder, any member of the defensive team or its team personnel that hinders a runner or changes the pattern of play or when a catcher or fielder hinders a batter. When obstruction occurs, the ball becomes dead at the end of playing action and the umpire has the authority to determine which base or bases shall be awarded the runners according to the rule violated.

A **fake tag** is an act by a defensive player without the ball that simulates a tag. A fake tag is considered obstruction.

The fielder without possession of the ball denies access to the base the runner is attempting to achieve. This is also considered obstruction.

5-1-1k **Balk** - When a balk is called the play is dead.

Courtesy Runners - HS rules allow for courtesy runners in many situations. We continue to require a courtesy runner for the catcher and only when there are two outs. This rule will be mandatory.

Time Limit - We will continue a one hour and 45 minute time limit for all of our games. In addition, the commissioner has the discretion to terminate a game. This would occur in rare situations, when the time limit has been exceeded and the outcome is not in doubt.

Trips to the Mound - We will implement the HS rule. This states that a defensive team is allowed 3 defensive meetings in a game without removing the pitcher(as a pitcher). On each subsequent trip, the pitcher must be removed as a pitcher.

This next list of statements pertains to various aspects of Obstruction and Interference by offensive and defensive players. This is covered in the HS rule book, but I wanted to summarize the important points.

- 1) The fielder without possession of the ball cannot deny access to the base the base runner is attempting to achieve.
- 2) An offensive player must avoid unnecessary contact with a defensive player.
- 3) An offensive player must slide directly to the base.
- 4) If a defensive player is in the base path illegally, the offensive player must avoid unnecessary contact, even if the offensive player has to go outside the base line.
